

NetZero for Young People

Unit 2 - Show Me: Opportunities to engage with NetZero

Learning Aim: To introduce the pupils to other forms of 'green' sector jobs.

Outcomes:

The learner will be able to:

1. Understand the breadth of jobs within the 'green' sector and how they apply to the NetZero agenda
2. Hear from varied speakers working in the green sector
3. Brainstorm on industry specific challenges
4. Create a Green Career Roadmap

Time	Agenda Point	Details
10 minutes	Part1: What are green jobs?	<ul style="list-style-type: none"> • Ask students what they think 'green jobs' are. • After showing the video, ask students if their understanding of green jobs has changed. • Discuss how the government is focusing on introducing more green jobs over the next few years.
15 minutes	Part 2: Careers in the Green Sector	<ul style="list-style-type: none"> • Go through the various profiles • Ask each group of students to select one or two profiles and research online with the help of the guiding questions given
15 minutes	Part 3: Hear from Industry Specialists	<ul style="list-style-type: none"> • Watch the videos from the industry specialists • Ask each group to select at least 2 of the challenges that the speakers posed, and brainstorm solutions to try and solve the issue

20 minutes	Part 4: Creating a Green Career Roadmap	<ul style="list-style-type: none"> • Students to think about their dream career and research the steps needed to get there with the help of the template given • Brainstorm and research how this can now be 'green' • Students to add to the Blue Line of the Tube Map
